ANDROID DEVELOPER

Motivated and passionate about mobile app development, I am seeking a position as an Android Developer. With a strong foundation in the Kotlin programming language, I have completed several personal projects that demonstrate my ability to design and develop dynamic mobile applications. Although I have no professional experience in this field, I am committed to continuously learning and improving my skills. I am excited to contribute my knowledge and creativity to a team of like-minded professionals and deliver high-quality results in the fast-paced world of Android development.

EXPERIENCE

Summer Work And Travel Exchange Program - 2022

Parking Admission   June 2022 – October 2022
Soaky Mountain Waterpark   *Sevierville, Tennessee, USA*
Julia Riddle(Manager) - jriddle@soakymountainwaterpark.com

Ice Cream Scooper   July 2022 – October 2022
Baskin Robbins   *Sevierville, Tennessee, USA*
Lisa Stubblefield(Manager) - lstubblefield@stokelyhospitality.com

My experience as a parking admissions attendant and ice cream scooper provided me with diverse work experience and the opportunity to participate in culture exchange. As a parking admissions attendant, I interacted with visitors from all over the world, which expanded my knowledge and appreciation of different cultures. As an ice cream scooper, I provided excellent customer service and often shared stories and learned about different cultures. These experiences helped me to develop strong communication, interpersonal, and adaptability skills, as well as a positive attitude towards culture exchange.
